Subject: RE: Proposed Development of Rensburg Ext 2 on Portion 68 of the farm Houtpoort 3982IR

Afternoon

The Department of Community services has no objection towards the proposed development. Care should however be taken to ensure that it falls within the Town Planning scheme of Lesedi as well as all legislative requirements especially NEMA.

In addition to the above, the developer should also ensure that our infrastructure such as sewer, water- electricity and waste removal will be able to handle the additional load.

C. VERSTER
