

COMMENTS AND RESPONSE REPORT - PROPOSED DEVELOPMENT ON RENSBURG EXT 2

GREENLINE REF:  
GL2909

GDARD REF: Gaut002/09-10/N0779

Key Issues	Name	I&AP's Comments	Greenline's Response
Town Planning	Mr. C. Verster	Care should be taken to ensure that it falls within the Town Planning scheme of Lesedi as well as all legislative requirements especially NEMA.	Comments have been noted and will be incorporated into the EIA process.
Services		Developer should also ensure that our infrastructure such as sewer, water-electricity and waste removal will be able to handle the additional load.	Comments have been noted and will be incorporated into the EIA process.
Genreal	Mr. W.J. Kob	Area could have economical strains	The development will enhance the economic state of the area and create housing and employment for the local community
