Lesedi Municipality contingency plan for the 21 days lock down

The Executive Mayor Lerato Maloka has immediately put in place measures that will allow for the release of non- essentials service employees to work from home, until further notice, as a mitigation measure against the spread of the **COVID-19**.

This will take effect from 26 March 2020, protocols and protective measures have been introduced to protect those employees who will be required to continue with their duties to guarantee service delivery during this period. The following measures are being put in place:

Municipal offices will be closed from the 26th March 2020 at 16:15pm until further notice

During this testing period our municipality will continue to provide the essential basic services to our people. The essential services will be the following:

Community Services & Public Safety

- Fire & Rescue services
- Cemetery & Parks
- Traffic and Public Safety

NB: The cemetery services/bookings of graves will only be available on Thursdays and Fridays from 08:00am-12:00pm. Payments of the graves must be made at ABSA bank. Banking details will be made available after the booking has been made.

Infrastructure services

- Waste
- Electricity and water

Payments of Municipal services

Prepaid electricity sale points will be on Internet, SPAR; Pick n Pay, Petrol outlets Edcon Group and cellphone banking. Should the outlets become offline; the public is advised to call Conlog Call Centre for assistance. Conlog Call Centre number (086 126 6564 / 031 268 1111)

Lesedi Customer Care Centre will work 24/7. Barring of walk-ins from the public will be fully enforced. The CCC number is (016) 330 – 0400
